June 20–21, 2019

# International Cybersecurity Congress

Speakers:

**Sunil Seshadri**, SVP & CISO, Visa

**Georgy Luntovsky**, President, Association of Russian Banks

---

**12:00–13:00**

Panel session

***Cybersecurity Strategies: Critical Infrastructure***

*Panel session dedicated to defining the cybersecurity landscape of the global critical infrastructure, key directions for cybersecurity development and strategies for further international cooperation in this area.*

Moderator:

**Evgeny Kovnir**, CEO, ANO Digital Economy

Speakers:

**Yousef Al-Ulyan**, Vice president for information technology, Saudi Aramco

---

**12:00–13:00**

Panel session

***Cybersecurity Strategies: Disruptive Technologies***

*Panel session where leading representatives of innovative technological companies from around the world will discuss breakthrough modern technological advances, identify key areas for development and jointly develop global strategies for international cooperation in the field of cybersecurity.*

Speakers:

**Dhanya Thakkar**, VP AMEA, Trend Micro

**Dmitry Samartsev**, CEO, BI.ZONE

---

**12:00–13:00**

Panel session

***Cybersecurity Strategies: Telecommunications***

*Panel session which will bring together leading representatives of telecommunication companies from around the world to discuss common challenges and identify key aspects of interaction in the field of cyber security.*

Moderator:

**Mikhail Oseevsky**, President, Rostelecom

Speakers:

**Jacqueline Kernot**, Partner in cybersecurity, Ernst & Young

**Allan Salim Cabanlong**, Assistant Secretary Cybersecurity & Enabling Technology, Department of Information and Communications Technology, Republic of Philippines

**Yogesh Malik**, Chief Technology Officer, VEON

---

**13:00–14:30**

Lunch

---

**14:30–18:00**

Topical sessions

***Legal Environment***

June 20–21, 2019

# International Cybersecurity Congress

*The speakers will make presentations on the topic devoted to the discussion of legal issues of cybersecurity, the search for joint ways of interaction and the development of cooperation in order to create an effective international legal environment to increase the level of countering cybercrime.*

14:30–15:00

Topical session

## ***Attributing Cyber Attacks***

Speaker:

**Thomas Rid**, Professor, Johns Hopkins University SAIS

15:15–15:45

Topical session

## ***Legislating a borderless, ungoverned virtual world – is it possible?***

Speaker:

**Greg Rudd**, CEO, CREST Australia & New Zealand

16:00–16:30

Topical session TBD

Speaker:

**Bruce W. McConnell**, Executive Vice President, East West Institute

16:45–17:15

Topical session TBD

Speaker:

**Rafael Maman**, Partner, PwC Israel

17:30–18:00

Topical session TBD

Speaker:

**Ahmed Kashwani**, Founding Member, Russia/GCC Business Council

---

14:30–18:00

Topical sessions

## ***Capacity Building***

Speaker:

**Guido Gluschke**, Director, Institute for Security and Safety (ISS), Brandenburg University of Applied Sciences

June 20–21, 2019

# International Cybersecurity Congress

15:15–15:45

Topical session TBD

Speaker:

**Prof. Yuval Elovici**, Director of the Telekom Innovation Laboratories, Ben-Gurion University of the Negev (BGU)

16:00–16:30

Topical session TBD

Speaker:

**Denis Gamayunov**, CTO SolidLab, acting Head of BIS Laboratory of the M. V. Lomonosov Moscow State University

---

14:30–18:00

Topical sessions

### ***Threat Intelligence***

*The speakers will make presentations on the topic devoted to discussing the global digital threats landscape, identifying key cybersecurity challenges, and making recommendations to improve the overall level of cybercrime resilience.*

14:30–15:00

Topical session TBD

Speaker:

**Evgeny Voloshin**, CISO, BI.ZONE

15:15–15:45

Topical session TBD

Speaker:

**Ilya Sachkov**, CEO, Group-IB

---

14:30–18:00

Topical sessions

### ***Disruptive Technologies***

*The speakers will make presentations on the topic devoted to discussing the prospects for the development of innovative technologies in the field of cybersecurity and to cooperation in order to improve the overall level of countering cyberthreats.*

14:30–15:00

Topical session

### ***Future vehicular mobility transition and its impacts on CyberSecurity***

Speaker:

**Dr. Clemens Dannheim**, CEO, Objective Software GMBH

15:15–15:45

Topical session TBD

Speaker:

**Ivan Novikov**, CEO, Wallarm

16:00–16:30

Topical session TBD

Speaker:

**Anton Okoshkin**, CTO, BI.ZONE

16:45–17:15

Topical session TBD

June 20–21, 2019

# International Cybersecurity Congress

Speaker:

**Sergey Lebed**, Head of Information Security Service, Sberbank

**14:30–18:00**

Topical sessions

### *Investments in Cybersecurity*

*The speakers will make presentations on the topic of investing in the cybersecurity industry, as well as discussing key areas for developing innovations in this area.*

**Ben Banerjee**, Board Member, CFO, InnMind

**15:15–15:45**

Topical session

### *Cybersecurity Investment Opportunities*

Speaker:

**Vasily Belov**, CEO, Skolkovo Ventures

**18:00–22:00**

**Cocktail reception at the Bolshoi Theatre (Platinum and Gold participant packages)**

## 21 June 2019, Friday

09:00–15:00

Participants' registration

**10:00–11:00**

Panel session

Hall

*AI in Cybersecurity*

Amphitheater

TBD

**10:00–11:00**

Panel session

Press Hall

*Panel session on cybersecurity of Russian-African Forum*

TBD

**11:15–11:45**

Briefing

Press Hall

*Cyber Polygon – summarizing the results*

*The briefing will be devoted to summing up the results of the online training Cyber Polygon, as well as discussing the prospects for the development of cooperation for the joint resilience to cyberthreats.*

June 20–21, 2019

# International Cybersecurity Congress

Speakers:

**Stanislav Kuznetsov**, Deputy Chairman of the Executive Board, Sberbank

**Dmitry Samartsev**, CEO, BI.ZONE

---

11:45–13:00

Lunch

---

**13:00–15:00**

Main plenary session

*Congress Hall*

***Secure digital world - future or utopia?***

*The key session of the Congress, where participants will sum up the results of the joint work and discuss joint development prospects in the era of global digital transformation, as well as determine strategies to increase global resistance to global cyber threats.*

Speakers:

**Herman Gref**, CEO, Chairman of the Executive Board, Sberbank

---

**18:00–24:00**

**Sberbank Night (Platinum и Gold participant packages)**

---
